1. Applying for an established account to operate as a motor carrier in Oregon
2. Changing the informational record on file with ODOT.

- An ownership change is a change in entities and/or ownership structure of a company for which there is an existing account. The FEIN has changed.

WEIGHT-MILE TAX REPORTING TYPE

Pursuant to OAR 740-055-015, a motor carrier approved to report and pay weight-mile tax on a quarterly basis may begin such reporting and payment in the first full calendar quarterly reporting period immediately following the month approval is granted by the Department.

1. Select QUARTERLY, to elect to file reports and pay weight-mile tax on a quarterly basis. ODOT requires you to file reports and pay as long as you have Oregon DOT plates and/or vehicle(s) enrolled in the Oregon Weight-Mile Tax Program. If no tax is due, you must still file a report
2. Select MONTHLY, to elect to file reports and pay weight-mile tax on a monthly basis. ODOT requires you to file reports and pay as long as you have Oregon DOT plates and/or vehicle(s) enrolled in the Oregon Weight-Mile Tax Program. If no tax is due, you must still file a report.

NEW AUTHORITY/TYPE OF OPERATION

1. Your name must match exactly the name filed with your state if a corporation or assumed business name.
2. Enter your complete mailing address and telephone number. Your street address must also be entered if it is different than your mailing address, or if you receive your mail through a post office box. This will ensure UPS delivery. If your address of record with ODOT is an agent's address, the power of attorney must specifically authorize the use of the agent's address.
3. Indicate your type of ownership. Oregon corporations, Oregon limited liability companies, limited liability partnerships, and businesses with Oregon mailing addresses using assumed business names must be registered with the Oregon Secretary of State, Corporation Division.
4. A Class B Permit authorizes a carrier to transport household goods for hire within designated local cartage areas that are exempt from economic regulation (see list of cities in OAR 740-060-0100). Pursuant to ORS 825.240, the following conditions must apply: (a) the gross revenue derived from local cartage of household goods in the designated area by carriers cannot exceed \$100,000 a year; (b) the population of the affected city or cartage area is less than 10,000; (c) the incorporated city or cartage area is not an essential part of a metropolitan, industrial or homogeneous economic area; (d) the incorporated city or cartage area is not contiguous to another city or within the area encompassed by the commercial zone of another city; (e) service to the public would be adversely affected; (D the carrier's ability to render service would not be adversely affected; and (g) it is not otherwise adverse to the public interest to exclude such area from regulation.
5. Description of "7W" operations - Permit Authority under ORS 825.020 for operations over 26,000:

U.S. mail on a trip basis
Buses within cities and within three air miles of the city

If a corporation, attach a list of shareholders, officers or directors not already listed. Attach addendum if needed.
8. The application must be signed by the individual owner, all partners, a corporate officer, a partner in a LLP, a manager/member of the LLC, or Agent. Note to agent: Include your title when signing and attach a power of attorney form.
9. Per OAR 740-040-0070 you will be required to post a Surety Bond regardless of whether you operate on an ODOT plate, temporary pass, or enrolled in the Oregon Weight-Mile Tax Program.
10. When operating intrastate only, you will be required to file proof of liability insurance with ODOT. When operating interstate, review federal regulations regarding the Minimum Levels of Financial Responsibility for Motor Carriers.

2. Complete the section or sections of the application form for which a record change is requested. In the Type of Application area, identify the change (i.e., name, ownership, address, permit, or telephone).
