

## Application for Innovative Technology, Material, or Design

Please complete the application and submit the \$1,748 application fee (\$1,648 fee + \$100 surcharge) and required attachments to the address below. Please complete a separate application per item or product.

Name of Product: \_\_\_\_\_ Model #: \_\_\_\_\_

### Reference Information – Please print

Corporate Name: \_\_\_\_\_

Exact Business Name: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Name of Contact Person: \_\_\_\_\_ Telephone: \_\_\_\_\_

Email: \_\_\_\_\_

### Please provide the following attachments:

1. Documentation that the New or Innovative Technologies, Materials or Designs meets the requirements in OAR 340-071-0135(1)(b). Enclose all engineering plans, specifications, prior approvals, or other supporting documentation with the application.
2. The Department may base approval of new or innovative technologies in accordance with one or more of the four methods found in OAR 340-071-0135(1)(b). Provide a statement declaring under which method(s) you are seeking approval.
3. For approval based on a performance evaluation under OAR 340-071-0135(1)(b)(A) you must provide:
  - A proposed evaluation protocol in accordance with section OAR340-071-0135 (3) of this rule and a proposed schedule for completing the proposed evaluation; and
  - At the conclusion of the performance evaluation, documentation demonstrating the technology, material, or design achieves applicable standards.
4. For approval under OAR 340-071-0135(1)(b)(B), you must provide documentation supporting a determination of functionalequivalency.
5. For approval under OAR 340-071-0135(1)(b)(C), you must provide documentation supporting a determination that the applicable standards will be achieved.
6. For approval under OAR 340-071-0135(1)(b)(D), you must provide documentation of certification by an approved program.
