After discussing this with the Local Agency Security Officer (LASO), we have determined the following:

**The Facility will proceed with the issuance of an ID card and approves limited access based on the following. Check all that apply:**

- Work will be conducted in an area that does not store or access CJ.
- Individual will not be issued a key set that allows access to areas where CJI is stored or processed.
- Individual will be issued a limited DOC400 profile with CJI redactions and restrictions.
- Individual will not be allowed unescorted access to areas containing CJI or identified for authorized access only.
- Individual has been made aware of access restrictions and signed the Facility Limited Access and Agreement to Comply with CJI-Protection Restrictions.
- Other (describe):

**The Facility will not proceed with the issuance of an ID card for the following reasons:** (Please provide narrative of reason[s] for denial)
