

Oregon Fallen Law Enforcement Officers Memorial

*This memorial honors all law enforcement officers
known to have died in the line of duty during Oregon's history.*

Names on the wall include federal, state, county, city and tribal officers. The memorial is a place of solace and courage for those who have lost loved ones and for those who continue to serve. It is a place for the public to honor these brave men and women for their ultimate sacrifice. The artist's design signifies the profound impact of the officers' lives on their families, colleagues and communities before, at the time of, and after the officers' deaths.

An annual ceremony at the memorial commemorates
and honors those who have fallen, and ensures
that their sacrifice will not be forgotten.

Dedicated: May 15, 1991
