

## Accessibility at the Department of State Lands

The Department of State Lands (DSL) is committed to providing all our customers with opportunities to access documents and records, as well as to attend public meetings and provide comment/testimony, as applicable. Information on how to request accommodations or documents and records in alternate formats is included below; please contact us with questions or concerns.

### Attending Public Meetings

DSL will hold meetings in places accessible to individuals with disabilities and will work to overcome any barriers to accessibility at public meetings. To request an accommodation for a public meeting, visit the webpage specific to the meeting you are interested in attending or providing comment/testimony, and email the listed contact. Alternatively, you can [email the agency's ADA contact](#) to request an accommodation.
