2019 Summer Reading Statistics

Welcome!

Thanks so much for sharing information about your summer reading program! Your statistics help demonstrate the need for supporting summer reading throughout Oregon and help us share how libraries are essential in preventing summer learning loss in our communities.

This survey should take approximately 20 minutes to complete and should be done only once per library. If you have questions about this survey, please contact Greta Bergquist at greta.bergquist@state.or.us

You can see a PDF of the questions if you'd like at the [State Library summer reading webpage](#).

Some of the data you provide will be shared on the State Library website in a one-page 2019 Oregon Summer Reading Brief.

Final Reflections

This is your chance to tell us about your library's Summer Reading from your perspective. These answers will not be added to our website, these questions are just so we can help you more effectively next year!

24. What is one thing your library does really well for Summer Reading?

25. What is one thing you think your library could do better with Summer Reading?

26. Are there any resources you wish the State Library provided that would help support Summer Reading in your community? (If we could wave a magic wand, what would you wish for?)

THANKS SO MUCH!

Thank you for sharing your Summer Reading work with us. We know libraries work extra hard in the summer to keep kids learning, and we appreciate all you do. Thank you for helping us tell your story.

The Statistics you just reported will go into creating the 2019 Summer Reading Brief. You can access the 2018 Summer Reading data shared from all Oregon public libraries on the [State Library Summer Reading webpage](#).

If there is a question you wish we had asked, or you'd like us to know something you didn't see here, please contact Greta Bergquist at greta.bergquist@state.or.us.
