

# IMAGING NEWS

## BOARD PROPOSES TO INCREASE ALL PERMIT AND LICENSE FEES

The Board is accepting written comment on the proposed fee increase, and will hold a public hearing during the next regular quarterly board meeting on **Friday, April 24, 2020**. All public comments must be received by the Board by 9:00 a.m. Friday April 24, 2020.

Detailed information, including how to submit comments is available on the Board's Homepage.

Please visit our homepage for more information

July 24, 2020  
October 23, 2020

## GET YOUR ONLINE RENEWALS DONE AHEAD OF TIME!

---

Remember there are multiple steps in getting your online renewal completed. You will not have your renewal immediately. The licensing staff has to process your application, including verification of registry status and state criminal background check.

To avoid any lapse in your active license status, please renew as early as possible in the month PRIOR to your birth month.

## UPDATE YOUR CONTACT INFORMATION

---

Just a friendly reminder the Board rules (OAR 337-010-0008) require that you maintain your current contact information with OBMI. Please keep us updated on your home and work addresses and contact information. There is a link to an "updated information form" on our website ([www.oregon.gov/obmi](http://www.oregon.gov/obmi)), easily found on the top bar "UPDATE YOUR RECORD".

## BOARD MEMBER UPDATE

---

Farewell to Nicholas Branting, MD and Brody Ferguson. We thank you for your hard work and support.

Welcome to our new Board Member Dr. Nour Birouti!
