Re: Oregon Coordinating Council on Ocean Acidification and Hypoxia

At the quarterly State Board of Agriculture meeting held on December 2, the board discussed the recommendation for the shellfish mariculture industry representative appointment to the Oregon Coordinating Council on Ocean Acidification and Hypoxia (OAH).

The board reviewed the interest form submitted by Ms. Kristen Penner with North Coast Industries LLC, dba Blue Siren Shellfish of Garibaldi, Oregon and voted to recommend her appointment to the Council.

If you have any questions, please contact me or our staff at the Oregon Department of Agriculture.

Sincerely,

A handwritten signature in cursive script that reads "Stephanie Hallock".

Stephanie Hallock, Chair
State Board of Agriculture
