

Plant & Part	Destination	Regulation	Requirements	Additional Information
All plants	International	Phytosanitary certificate	Online PCIT application*	* https://pcit.aphis.usda.gov/pcit/
All plants	All of United States and OR	Nursery certification	Shipping permit	
All plants - from nurseries that have tested positive for <i>Phytophthora ramorum</i> within the last 3 years.	All of United States and OR	Sudden oak death (<i>Phytophthora ramorum</i>)	Federal shield	
All plants	All of United States and OR	Noxious weeds	Plants weed-free	
All plants	AL, AR, FL, ID, MS, NC, TN, VA, WV	Brown garden snail	Certificate	
Apple (<i>Malus</i> spp.) Plants and fruit.	CA: listed counties	Apple maggot	Bareroot and no fruit on trees	California counties: Contra Costa, El Dorado, Fresno, Kern, Kings, Madera, Merced, Monterey, San Benito, San Joaquin, San Luis Obispo, Santa Barbara, Stanislaus, Tulare and Ventura.
Apple/Hawthorn/Pear/Cherry FRUIT (<i>Malus/Crataegus/Pyrus/Prunus</i> spp.)	AZ, ID, WA	Apple maggot	No fruit on trees	Arizona regulates fruit from hawthorn (<i>Crataegus</i> spp.), apple (<i>Malus</i> spp.), apricot, cherry, nectarine, peach, plum plum, and prune (<i>Prunus</i> spp.), pear (<i>Pyrus communis</i>); Idaho regulates fruit from: hawthorn (<i>Crataegus</i> spp.), pear (<i>Pyrus</i> spp.), apple (<i>Malus</i> spp.), and cherry (<i>Prunus</i> spp.); Washington regulates fruits from the following hosts for apple maggot: apple (<i>Malus</i> spp.), hawthorn (<i>Crataegus</i> spp.), apricot, nectarine, peach, plum (<i>Prunus</i> spp.), pear (<i>Pyrus</i> spp.), quince (<i>Cydonia</i> spp.), and rose hips (<i>Rosa</i> spp.).
Ash (<i>Fraxinus</i> spp.)	MI	Emerald ash borer	Prohibited	
Barberry (<i>Berberis</i> spp.), <i>Mahoberberis</i> spp., Oregon grape (<i>Mahonia</i> spp.)	IA, IL, IN, KS, MI, MN, MO, MT, NE, ND, OH, PA, SD, WA, WI, WV and WY	Black stem wheat rust disease	Federal certificate - resistant varieties only	
Blueberry plants (<i>Vaccinium corymbosum</i>)	GA, MI, WA	Blueberry scorch, and other viruses	Certificate	
Boxwood plants (<i>Buxus</i> spp.), plus <i>Sarcococca</i> spp.	PA, TN	Boxwood Blight	Certificate	Tennessee specifically requires participation in the Boxwood Blight Cleanliness Program
<i>Camellia</i> spp.	TN, TX	Camellia flower blight	Certificate	
Cherry and laurel (<i>Prunus</i> spp.); Bareroot exempt.	CA	Cherry fruit fly	Certificate	Two seasons of fruit stripping and inspections are required to certify the following species to California: <i>Prunus avium</i> (sweet cherry), <i>P. cerasus</i> (sour cherry), <i>P. emarginata</i> (bitter cherry), <i>P. laurocerasus</i> (English laurel / cherry laurel), <i>P. mahaleb</i> (Mahaleb cherry), <i>P. pensylvanica</i> (pin cherry), <i>P. salicina</i> (Japanese plum), <i>P. subcordata</i> (Pacific plum) and <i>P. virginiana</i> (choke cherry).

Plant & Part	Destination	Regulation	Requirements	Additional Information
Cherry (<i>Prunus</i> spp.) except <i>P. besseyi</i> , <i>P. cistena</i> , <i>P. grandulosa</i> , <i>P. maackii</i> , <i>P. tomentosa</i> , <i>P. triloba</i> , <i>P. virginiana</i> .	CO	Overwintering host for green peach aphid	Prohibited to listed counties	Prohibited to Alamosa, Conejos, Costilla, Rio Grande, and Saguache Counties. (To protect potato fields.)
Chestnut (<i>Castanea</i> spp.), chinquapin (<i>Castanopsis</i> spp.), oak (<i>Quercus</i> spp.), tanbark oak (<i>Lithocarpus densiflorus</i>)	CA	Chestnut bark disease; oak wilt disease	Certificate	
Chestnut (<i>Castanea</i> spp.), chinquapin (<i>Castanopsis</i> spp.)	WA	Chestnut diseases and insects	Certificate	
Dogwood (<i>Cornus</i> spp.)	FL	Anthracnose disease	Florida permit	
Filbert (<i>Corylus</i> spp.)	WA	Eastern Filbert Blight	Certificate	
Fir (<i>Abies</i> spp.)	MI	Balsam Woolly Adelgid	Certificate	Appropriate pest management program is required. Abies greater than 3 years old are prohibited.
Grape plants (<i>Vitis</i> spp.)	CA, ID**, NY, WA**	Pests & virus diseases	Certificate	**Grape plants must originate from official certification program.
Hemlock (<i>Tsuga</i> spp.)	ME, NH, OH, WI	Hemlock woolly adelgid	Certificate	Maine: <i>Tsuga</i> spp. are prohibited into non-quarantined areas of the state unless treated by an approved method. See National Plant Board http://www.nationalplantboard.org/laws/index.html for quarantined areas. New Hampshire: A compliance agreement or variance is required to ship <i>Tsuga canadensis</i> or <i>Tsuga caroliniana</i> into Coos, Grafton, or Sullivan counties. Shipments into other counties are unrestricted. Other species of <i>Tsuga</i> spp. can be shipped without restrictions to all counties of NH. Ohio: Requires participation in Hemlock Woolly Adelgid compliance program.
Hemlock (<i>Tsuga</i> spp.)	MI, VT	Hemlock woolly adelgid	Prohibited	
Hops (<i>Humulus</i> spp.)	ID, WA	Verticillium wilt & powdery mildew	Certificate	
<i>Imperata cylindrica</i> (Japanese bloodgrass, Red Baron)	CA, CT, IL, IN, MA, MI, NE, NJ, NV, OH, OK, OR, PA, VA, WA, WI and Guam.	Federal noxious weed	Federal permit	Federal permit (Form 526) required for shipping to listed states, Only sterile varieties of <i>Imperata cylindrica</i> qualify for permit; Plants are prohibited to all other states
Mint (<i>Mentha</i> spp.)	ID, MN, MT, NV, UT, WY	Mint Wilt (Verticillium)	Certificate	

Plant & Part	Destination	Regulation	Requirements	Additional Information
Noxious weeds in the nursery trade: Including <i>Acer</i> spp., <i>Berberis thunbergii</i> , <i>Euonymus</i> spp., <i>Lonicera</i> spp., <i>Cytisus</i> sp., <i>Rhamnus frangula</i> , <i>Phellodendron</i> sp. and others.	CT, HI, IA, IL, MA, ME, MD, MN, MT, NH, NY, OH, VT, WA, WV	Noxious weeds	Prohibited or otherwise Regulated	Refer to table at the end of this spreadsheet.
Pecan (<i>Carya illinoensis</i>) and other hickory (<i>Carya</i> spp.)	NM	Pecan weevil	Treatment and certificate	
Persimmon (<i>Diospyros</i> spp.)	CA	Persimmon root borer	Prohibited	
Pine (<i>Pinus</i> spp.)	CA, HI, MT	European pine shoot moth	Certificate	Fee-based trapping program conducted yearly by ODA.
<i>Ribes</i> spp. (Currant)	DE, MA, MI, MT, NH, NJ, OH, RI, VA. Prohibited to ME, NC and WV	White pine blister rust	Destination state permit	Permit is for resistant varieties only.
Rose (<i>Rosa</i> spp.)	IN, NJ	Rose virus	Certificate	
Solanaceous plants: tomato, eggplant and potato (<i>Solanum</i> spp.), pepper (<i>Capsicum</i> spp.)	CA, NV	Colorado potato beetle	Certificate	
Tropical plants	CA	Burrowing nematode	Certificate	
Walnut plants (<i>Juglans</i> spp.)	AR, IA, IL, IN, KS, MI, MN, MO, NE, OH, OK, PA, TN, VA, WI, WV	Thousand canker disease	Prohibited (mostly***)	***Certificate, compliance agreement or permit may be available for shipping to IL, IN, KS, MN, OH, OK, PA, TN, WI, or WV. Refer to National Plant Board http://www.nationalplantboard.org/laws/index.htm
Walnut plants (<i>Juglans</i> spp.)	AZ, CA	Brooming disease	Certificate
