#### Background

The Oregon Department of Forestry (ODF) is considering a potential Habitat Conservation Plan (HCP) and associated Incidental Take Permit for state forestlands west of the Cascade Range. ODF is currently underway with the HCP process, in collaboration with technical and policy guidance from other state and federal agencies. ODF is also seeking stakeholder engagement in this early phase of HCP consideration.

#### Meeting Purpose

- Learn about the components of the aquatic and terrestrial conservation strategies
- Hear the results of the aquatic conservation strategy modeling and species habitat modeling
