

# Special Needs Adoption Coalition (SNAC)

The Special Needs Adoption Coalition (SNAC) is a group of private adoption agencies licensed in the State of Oregon to conduct adoptions of children in the custody of the Department of Human Services (DHS). Adoption of any child from Oregon foster care is called Special Needs Adoption. The SNAC is facilitated by one of the agencies, Boys & Girls Aid. If you are considering adopting a child in the custody of DHS, you may choose to work directly with DHS or with any of the agencies listed here. Please contact the individual agency to learn more about their services.
