Oregon Office of Emergency Management VIRTUAL APPLICANT BRIEFING

FEMA-4499-DR-OREGON
Declared: March 28, 2020

Oregon's Office of Emergency Management is conducting virtual Applicant Briefings to help agencies navigate the application process for FEMA Public Assistance funding for emergency protective measures taken to respond to the COVID-19 pandemic.

Briefings include an overview of 4499-DR-OR process and documentation requirements, followed by a question and answer session. The briefing and Q&A is approximately 90 minutes.

All briefings will be conducted on Adobe Connect.

Conference Line: 888-363-4734 / Participant code – 152191

- Briefings have been planned to accommodate various schedules, and to limit the number of applicants on each call to ensure there's enough time for all questions.
- Agencies responsible for providing emergency protective measures to the public (government agencies, special districts, and certain private nonprofit organizations) are strongly encouraged to participate. The agent, financial officer, or an appointee who will actually be using the information should also attend the briefing.
- If your county or agency cannot attend the briefing at the scheduled intended time, you are welcome to join at a time that fits your schedule.
- Prior to attendance, applicants are asked to review this [Applicant Briefing presentation](#) that provides specific information about the process.
- Questions about the PPT, application process or eligibility may be submitted at least 24 hours in advance of the briefing to public.info@state.or.us
