

Date: January 12, 2024
To: Coordinated care organizations (CCOs)
From: Dave Inbody, CCO Operations director
Subject: CORRECTED – Changes to SHARE Initiative deliverables

This communication is about the following SHARE Initiative deliverables in the CCO contract:

- Exhibit K, Section 8, Paragraph a, Subparagraph (5): 2024 SHARE Spending Report due by 6/30/2024.
- Exhibit L, Section 4: Report L6.71 titled “Annual SHARE Initiative Payment Breakdown (Year-By-Year)” in the 2023 supplemental annual Exhibit L financial report due by 4/30/2024 (with the final audited 2023 Exhibit L report, including the figures in Report L6.71, due by 6/30/2024).

The Oregon Health Authority (OHA) will **waive submission of the 2024 SHARE Spending Report as a standalone deliverable**. Instead, OHA will integrate financial reporting elements from the 2024 SHARE Spending Report into Report L6.71 in the 2023 Exhibit L report. The due dates for the initial and audited Report L6.71 remain the same as stated above. Please refer to the 2024 SHARE Initiative guidance for details about this report. The 2023 Exhibit L report with the updated Report L6.71 will be available on the CCO Contract Forms [webpage](#) no later than January 19, 2024.

OHA will make this change in the 2025 CCO contract restatement.
