

Model Member Handbook – Redline Changes effective 06/02/2023 and 08/15/23

Document Sections:

06/02/2023 2024 Model Member Handbook Updates

08/15/2023 Addendum to 2024 Model Member Handbook

06/02/2023 2024 Model Member Handbook Updates:

The Model Member Handbook has been updated to:

1. Include recommendations from HSAG to ensure accuracy and alignment moving forward
2. Clarify and correct language (including contact information like addresses and email addresses)
3. Remove Model Member Handbook page numbers, still left as placeholders for CCOs to include
4. Identify sections for careful review of changes made
5. Correct Grammatical and Punctuation changes that need to be made throughout (Please review MMH in “All Markup” for these changes)
6. Include comments next to elements that were moved and what the previous element #'s were
 - a. Comments provide feedback and changes
