(j) Change in Cost (increase in the cost to the Employee or Early Retiree). All benefit plan changes resulting from a Change in Cost must be reviewed and processed by OEGB. The effective date for this QSC must be prospective.

Active Employees

Significant change in cost that results in a negative impact by the **employee**. Benefit plans changes and cancellation of plans are allowed only if the negative impact results in an increase of 10% or more of the employee’s monthly contribution towards their benefits. For example, a full-time employee has a decrease in working hours, and is now a part-time employee. This employee’s employer contribution has decreased, and the employee’s premium share/cost has increased. If this difference in cost is 10% or more, then the Change in Cost QSC is applied. The following restrictions apply:

- **Medical plans** – Cancel coverage, change to a less expensive plan or remove dependents.
- **Dental plans** – cancel coverage*, change to a less expensive plan or remove dependents.
- **Vision plans** – cancel coverage*, change to a less expensive plan or remove dependents.

*If a dental or vision plan is canceled and reenrolled in during a future open enrollment period, the 12 month waiting period will apply for all services except for preventive and routine.

Optional Life Insurance, Optional Accidental Death and Dismemberment, Voluntary Short and Long Term Disability:

- Plans may be canceled only. Coverage cannot be lowered to a lesser amount.

Significant changes in the **Spouse or Domestic Partner’s** employer-sponsored group medical benefit plan that results in a negative impact of 10% or more in cost by the Spouse or Domestic Partner. The following restrictions apply:

(I) Related Laws or Court Orders

The following are allowable QSC's under the OEGB benefits program:

- Qualified Medical Child Support Order, as defined in section 609 of the Employee Retirement Income Security Act of 1974 (Public Law 93-406(88 Stat.829)). Changes are determined by the applicable law or court order.
- Entitlement to Medicare
- Loss of Medicare, Medicaid or Children's Health Insurance Program (CHIP)
- Eligible for premium assistance under Medicaid or CHIP
- Loss of individual coverage purchased through or outside of a Marketplace

HIPAA Special Enrollment Rights:

A HIPAA special enrollment event is also a Qualified Status Change (QSC). Under HIPAA, health plans are required to provide special enrollment opportunities for certain individuals. The effective date is determined by HIPAA regulations.

Special enrollment for loss of any group health plan or health insurance coverage (including individual coverage purchased through or outside of a Marketplace). If an employee or eligible dependents declined enrollment in OEGB because he/she was [are] enrolled under another group health plan or individual coverage, and loses coverage under that other plan, the employee or eligible dependent is eligible for the OEGB plan retroactive to the first of the month in which coverage in the other plan terminates.

Employee may elect coverage for employee, Spouse/Domestic Partner or child(ren) who lost other group or individual coverage.

Employee may enroll in coverage, change plans or cancel plans.

If you are declining enrollment for yourself or your dependents (including your Spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage.)

To request special enrollment or obtain more information, contact your Entity (employer's) benefit or payroll office.
