Subject: Letter of Intent to Apply – Change Request

Dear Tammy,

Umpqua Health Alliance, LLC (UHA) submitted through the CCO 2.0 RFA LOI process an intent to provide services in Lane County. After evaluating the viability of expanding network services, UHA has determined to retract its intent to provide services in Lane County, and has determined to continue to focus all of its resources in Douglas County.

Without proper network adequacy in Lane County, UHA could not provide ample care that Lane County members deserve. In addition, retracting Lane County as a service area would result in UHA continuing to provide focused integrated care in Douglas County.

Please accept this letter as an official change request from UHA to amend the original LOI dated January 30, 2019 and retract Lane County from the desired service area. As a result of this Change Request, UHA will be submitting an Application under CCO 2.0 to serve all of Douglas County.

Sincerely,

Brent Eichman, MBA, CHFP
CEO, Umpqua Health
