Other .....	34	11	15	1	—

— Quantity is zero.

1 For planned hospital births, actual attendant type is used. For planned out-of-hospital births with intrapartum transfer to hospitals, planned attendant type is reported by mother and not verified.

2 Total includes 111 births that occurred en route, were unplanned home deliveries, or were other out-of-hospital births not otherwise classified.

3 Includes reported clinical estimate of gestation in completed weeks and missing or unknown gestations.
