 RE: Cage-free eggs

Action required: Share with store managers and cashiers.

Oregon passed a law that all eggs produced or sold in the state must come from cage-free hens by 2024. Oregon WIC has allowed cage-free eggs since 2021. Page 16 of the WIC Food List outlines what types and sizes of eggs are allowed.

If your store carries an eligible brand of cage-free eggs that does not ring up for WIC, submit the product information and full UPC to the state WIC office. Product UPCs can be submitted using the WICShopper app “I couldn’t buy this” feature or by emailing wic.shopping@odhsoha.oregon.gov.

If you have any questions or need to order more WIC Food Lists for your store, please contact the Vendor Team at wic.vendorservices@odhsoha.oregon.gov.

If you need this information in an alternate format, please contact WIC at (971) 673-0040.
