

Program Design and Evaluation Services (PDES)
Presentations at Scientific Conferences or Public Meetings:
2005 – Current

1. Hixson L. Health outcomes, social determinants, and resilience among PLWH in the Portland Metro TGA. Virtual presentation. HIV Planning Council. March 2021.
2. Hixson L, Kennedy B. Medical Monitoring Project data overview – social determinants of health and strengths-based items. Annual Community Advisory Board Meeting. Virtual presentation. February 2021.
3. Drach L, Hixson L, Menza T. Measuring social determinants of health: Creating an index to monitor health outcomes among people living with HIV. SYNChronicity: The National Conference for HIV, HCV, STI, & LGBTQ Health. Virtual presentation. September 2020.
4. Morrison D, Drach L, Hixson L. Understanding LGBTQ+ Bias/SOGI improves HIV screening. SYNChronicity: The National Conference for HIV, HCV, STI, & LGBTQ Health. Virtual presentation. September 2020.
5. Hixson L. Barriers to childhood immunization: Recommendations to the Oregon Immunization Program. Immunization Program Lunch and Learn for Tri-County Vaccine Hesitancy Workgroup. Virtual presentation. August 2020.
6. David D. Interviews with Ignition Interlock Device Program stakeholders: Initial findings and plans for next steps. Governor's Advisory Council on DUII. Virtual presentation. July 2020.
7. Hixson L, Drach L, Boles M. Facing challenges and showing resilience: Using HIV Medical Monitoring Project data to assess the needs of long-term survivors. National Conference on Social Work and HIV/AIDS. Virtual presentation. May 2020.
8. Drach L. End HIV Oregon 2020 Update. Presented at: Part A HIV Planning Council. Portland, OR. March 2020.
9. Menza T, Hixson L, Lipira L, Capizzi J, Drach L. Population-based estimates of integrated HIV, STI, and hepatitis C testing, Oregon, 2016. CROI. Virtual presentation. February 2020.
10. Horner-Johnson W, Higgins Tejera C, Braun M. Sexual health behaviors among high school students with disabilities. Presented at: Oregon Public Health Association Annual Conference and Meeting. Corvallis, OR. October 2019.
11. Phibbs S, Braun M, York E, Fischler N. Opportunities for building social resilience through public health practice. Presented at: Oregon Public Health Association Annual Conference and Meeting. Corvallis, OR. October 2019.
12. Rivers W, Knipper S, Rohde K. OHA Student Health Surveys and the Student Success Act: How data can inform school improvement. Presented at: Confederation of Oregon School Administrators (COSA) 2019 Teaching, Learning and Assessment Conference. Eugene, OR. August 2019.
13. Drach L, Hixson L. Food insecurity among PLWH in Oregon. Presented at: HIV Integrated Planning Group Meeting. Portland, OR. July 2019.
14. Lipira L, Hixson L. Addressing HIV-related stigma in Oregon. Presented at: HIV Integrated Planning Group Meeting. Portland, OR. July 2019.
15. Drach L. Medical Monitoring Project update 2015-2017. Presented at: Part A HIV Planning

Council Meeting. Portland, OR. May 2019.

16. Drach L, Cordova D, Menza T, Hixson L, Maher J. Latinx late to diagnosis, successful in care: Using Oregon HIV Medical Monitoring Project data to understand Latinx people's experiences with HIV medical care. Presented at: National Latinx Conference on HIV/HCV/SUD. San Antonio, TX. May 2019.
17. Drach L. Evaluating HIV early intervention services & outreach. Presented at: Annual Early Intervention Services & Outreach Meeting. Bend, OR. April 2019.
18. Drach L, Hixson L. What a shame: Examining the effect of stigma and social determinants on HIV treatment outcomes. Presented at: Oregon Epidemiologists' Meeting. Sunriver, OR. April 2019.
19. Hixson L, Drach L, Maher J, Knapp A, Ferrer J, Menza T. What factors increase syphilis screening among people living with HIV? Using HIV Medical Monitoring Project Data to Improve Practice. Presented at: National HIV Prevention Conference. Atlanta, GA. March 2019.
20. He H, Knapp A. Medical Monitoring Project update 2015-2016. Presented at: HIV Integrated Planning Group (IPG) Meeting. Portland, OR. July 2018.
21. Dilley JA. Do adults with chronic pain use marijuana to reduce use of opioids? Results from Oregon. Presented at: The College on Problems of Drug Dependence (CPDD) 80th Annual Scientific Meeting. San Diego, CA. June 2018.
22. Everson E. Your friendly neighborhood cannabis store. Presented at: Council of State and Territorial Epidemiologists Annual Meeting. West Palm Beach, FL. June 2018.
23. Dilley JA. State Legalization, Local Choice: Assessing how local-level cannabis regulatory policies affect retail market environments. Presented at: International Society for the Study of Drug Policy (ISSDP). Vancouver, British Columbia, Canada. May 2018.
24. Dilley JA. What do we know so far about public health impacts of state legalization and the influence of local policies? Plenary presentation at: 2018 Public Health – Marijuana Summit. Portland, OR. May 2018.
25. Fiala SC, Parkman S. The marijuana information environment: A post legalization look. Presented at: 2018 Public Health – Marijuana Summit. Portland, OR. May 2018.
26. Richardson SM, Dilley JA. What's really happening with youth cannabis use in Washington State? Insights from three data systems. Presented at: International Society for the Study of Drug Policy (ISSDP). Vancouver, British Columbia, Canada. May 2018.
27. Fiala SC. Prevention of youth marijuana use [panel]. Presented at: Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention National Prevention Week. Online. April 2018.
28. Hixson L, Knapp A, Ferrer J. Keys to ensuring that your health care setting never misses an opportunity to recognize and treat an STI. Presented at: Oregon Epidemiologists' Meeting. Sunriver, OR. April 2018.
29. Ferrer J, Nusser J, Knapp A. Keys to ensuring that your healthcare setting never misses an opportunity to recognize and treat an STI. Presented at: Meaningful Care Conference. Portland, OR. March 2018.
30. Fiala S. Exposure to marijuana marketing after legalization of retail sales: Oregonians' experiences, 2015-2016. Webinar presented at: Community Anti-Drug Coalitions of America (CADCA) Research Into Action webinar series. March 2018.

31. Fiala SC, Dilley JA. Marijuana Advertising Surveillance in Oregon: Ad-ventures in public health. Presented at: Council of State and Territorial Epidemiologists (CSTE). Online. November 2017.
32. Dilley JA. What are we seeing in legalized states? Measuring the impacts [panel]. Presented at: Denver Marijuana Management Symposium. Denver, CO. October 2017.
33. Dilley JA, Richardson SM, Dent CW, Midgette G. What's really happening with youth cannabis use in Washington State? Insights from three data systems. Symposium presentation and poster at: Addiction Health Services Research 2017 conference. University of Wisconsin. Madison, WI. October 2017.
34. Boles M. Public Health Accountability Metrics: Stakeholder survey results and health outcome metrics recommendations. Presented at: Meeting of Public Health Advisory Board Accountability Metrics Subcommittee. Portland, OR. June 2017.
35. Dilley JA, Hall K. What do we know about the health effects of marijuana use and public health impacts of legalization? Surveillance issues for mental health and substance use: From basic to advanced [workshop]. Presented at: Council for State and Territorial Epidemiologists (CSTE), 2017 National Conference. Boise, ID. June 2017.
36. Dilley JA. In the Weeds: Community-based public health impact study of marijuana legalization in the Pacific Northwest. Presented at: Inland Northwest Research Symposium, Washington State University. Spokane, WA. April 2017.
37. May J, Everson E, Troche R, Fenaughty A. Characteristics and attitudes of marijuana-only users compared to non-users, tobacco-only users, and dual users (marijuana and tobacco) in Alaska. Poster presentation at: National Conference on Tobacco or Health. Austin, TX. March 2017.
38. Boles M, Solet D. The health and economic benefits of public health modernization. Webinar presented at: Meeting of Oregon Coalition of Local Health Officials. January 2017.
39. Fiala S, Moseley K. Youth marijuana data and prevention campaign pilot. Presented at: Children's Health & Marijuana Coalition Meeting. Portland, OR. August 2016.
40. Boles M, Solet D. Public health modernization: What is the health and economic benefit for Oregon? Presented at: Public Health Advisory Board Meeting. Portland, OR. July 2016.
41. Pizacani B. E-cigarette use among current and former smokers in Alaska: Who's vaping, where, and why?. Presented at: Congress of State and Territorial Epidemiologists Annual Meeting. Anchorage AK. June 2016.
42. Dilley J, Hitchcock L, Maher J, Firth C, Fiala S, Richardson S, Mack C. Local entity marijuana policies in the Pacific Northwest following statewide legalization. Poster presented at: Cannabis Science & Policy Summit. New York City, NY. April 2016.
43. Pizacani B, Rhode K. Public health surveillance, examples from the field. Presented at: Multnomah County Data Equity Summit. Portland, OR. March 2016.
44. Andrea SB, Schafer S, Firth C. Predictors of premature or unnecessary cervical cancer screening—Oregon, 2010–2014. Poster presentation at: 2015 Council of State and Territorial Epidemiologists Annual Conference. Boston, MA. June 2015.
45. Firth C. Marijuana & opioid use among people receiving HIV care in Oregon. Presented at: Oregon Epidemiologist's Meeting. Sunriver, OR. May 2015.
46. Rohde K. Seeking behavioral health equity: TPC's efforts to understand and address tobacco use disparities in Alaska's behavioral health population. Presented at: Alaska

- Tobacco Control Alliance Summit. Anchorage, AK. May 2015.
47. Pizacani B. Evaluation of the Real Cost Media Campaign. Presented at: Alaska Public Health Association Summit. Anchorage, AK. January 2015.
 48. Pizacani B, Rohde K. Does media work? Studying how the Obesity & Tobacco Prevention Programs used innovative mass media to change knowledge, attitudes, and behaviors. Presented at: Alaska Public Health Association 32nd Annual Health Summit. Anchorage, AK. January 2015.
 49. Capizzi J, Firth C, Schafer SD. Unsuppressed HIV viral load and subsequent syphilis infection, Oregon HIV cases reported with primary/secondary syphilis, 2008–2013. Poster presentation at: Centers for Disease Control & Prevention 2014 HIV Surveillance Grantees' Meeting. Atlanta, GA. December 2014.
 50. Firth C, Capizzi J, Schafer SD. Nifty curves: Survival analysis among Oregonians diagnosed with HIV, 2004-2013. Poster presentation at: Centers for Disease Control & Prevention 2014 HIV Surveillance Grantees' Meeting. Atlanta, GA. December 2014.
 51. Greene K. Expanding the evaluation lens: How to include policy assessment in your evaluation. Presented at: American Evaluation Association Annual Conference. Denver, CO. October 2014.
 52. Pizacani B. Introduction to BRFSS and OHT surveillance systems. Presented at: Oregon State University. Corvallis, OR. October 2014.
 53. Greene K. What do we know about bullying in Oregon schools? Brief overview of a public health law research project. Presented at: Children's System Advisory Committee Meeting. Salem, OR. June 2014.
 54. Firth C, Dombrowski J. Counting the number of people with HIV in Oregon who are truly not getting regular health care. Presented at: Oregon Epidemiologist's Meeting. Sunriver, OR. May 2014.
 55. Firth C, Drach L. Eating more and enjoying it less: Food options, nutrition and weight gain among female Oregon prison inmates. Presented at: Oregon Epidemiologist's Meeting. Sunriver, OR. May 2014.
 56. Shields L, Dowler, D. Oregon partnerships for falls prevention. Webinar presented at: National Center for Health and Aging. Portland, OR. February 2014.
 57. Pizacani B, Greene K. Evaluating the public health impact of school anti-bullying legislation in Oregon. Presented at: Public Health Law Research Annual Meeting. Atlanta, GA. January 2014.
 58. Greene K. Ways to ensure that "It Gets Better": Improving the health of LGBTQ youth in Oregon. Presented at: Oregon School Based Health Care Network Conference. Portland, OR. October 2013.
 59. Greene K. Moving beyond the quote: Qualitative data visualization techniques using NVivo. Presented at: American Evaluation Association Annual Conference. Washington, DC. October 2013.
 60. Holbert T, Rashad Y, Banks R. Fatherhood Initiative – A community response to support father involvement for African-American families participating in the Healthy Birth Initiative program. Presented at: The Oregon Public Health Association Annual Conference. Corvallis, OR. October 2013.
 61. Holbert T, Cordova D, Pizacani B. Healthy Birth Initiatives: Client survey highlights – breastfeeding. Presented at: Healthy Birth Initiatives Community Consortium. Portland,

OR. October 2013.

62. Shields L, Dowler D. Oregon Senior Falls Prevention Program. Webinar presented at: Meeting of South by Southwest Injury Coalition. Portland, OR. September 2013.
63. Rohde K. Tobacco use prevalence – Disentangling associations between Alaska Native, socioeconomic and rural disparities. Presented at: Alaska Public Health Association Summit. Anchorage, AK. January 2013.
64. Rohde K. Guidelines for analyzing, interpreting and disseminating data by race and ethnicity. Presented at: Meeting of Coordinated Care Organizations (CCO's). Portland, OR. January 2013.
65. Pizacani B, Maher J, Cooper D, Goldstein A, Drach L, Strachan E. Linking economic development and public health efforts: Opportunity for catalyzing change? Presented at: American Public Health Association Annual Meeting. San Francisco, CA. October 2012.
66. Pizacani B, Peterson E, Bobo M, Maher J, Pickle K. Measuring quit success by socioeconomic status in Alaska: Implications for program planning. Presented at: American Public Health Association Annual Meeting. San Francisco, CA. October 2012.
67. Pickle K, Dent C, Pizacani B, Peterson E, Utermohle C, Topol R. Reviewing adult smoking trends in Alaska in light of recent changes in Behavioral Risk Factor Surveillance System methods. Presented at: American Public Health Association Annual Meeting. San Francisco, CA. October 2012.
68. Pickle K, Dent C, Ngo D, Pizacani B, Boyd R, Peterson T, Morrison K. Comparing dual phone type (landline and cell) respondents from cell sample versus landline sample in Oregon's 2011 BRFSS. Presented at: American Public Health Association Annual Meeting. San Francisco, CA. October 2012.
69. Pizacani BA. Smoking prevalence among Alaskans of low socioeconomic status: How can surveillance data inform program strategies? Presented at: Alaska Tobacco Control Program Grantees. June 2012. Presented at: American Public Health Association Annual Meeting. San Francisco, CA. October 2012.
70. Drach L. Creating a healthier food environment for incarcerated women. Presented at: the Oregon Public Health Association Annual Meeting. Corvallis, OR. October 2012.
71. Schubert S, Pickle K. Behavioral Risk Factor Surveillance System Methods changes. Presented at: Oregon Public Health Association Annual Meeting. Corvallis, OR. October 2012.
72. Pickle K. Behavioral Risk Factor Surveillance System Methods changes: Raking and cell phones. Presented at: Meeting of Alaska Tobacco Prevention and Control Program and Partners. Anchorage, AK. September 2012.
73. Maher JE, Drach L. Program Design and Evaluation Services: Partnering to promote healthy communities. Presented at: Oregon Criminal Justice Research Conference. Salem, OR. September 2012.
74. Dilley J, Pickle K. Contrasting social norms and policies around secondhand smoke in different regions of Alaska. Presented at: International Congress on Circumpolar Health. Fairbanks, AK. August 2012.
75. Dilley J, Pickle K. Tobacco use prevalence – Disentangling associations between Alaska Native, Low SES and rural disparities. Presented at: International Congress on Circumpolar Health. Fairbanks, AK. August 2012.
76. Pizacani, BA. Assessment of tobacco retail licensing in Oregon's current policy

environment. Presented at: Meeting of Oregon Public Health Association. Portland, OR. October 2012. Presented at: National Conference on Tobacco or Health. Kansas City, MO. August 2012.

77. Drach L, Rutt D, Sazie E, Braun M. Transforming the food environment at Coffee Creek Correctional Facility: Promoting healthy eating through local food production, policy and environmental change. Presented at: Multnomah Food Summit. Portland, OR. June 2012.
78. Maher JE. Public health and incarceration. Presented at: Oregon Epidemiologists' Conference. May 2012.
79. Greene K, Brisolaro S, Bowman N, Cram F. Diversity dialogue: strategies & stories from the evaluation road. Presented at: American Evaluation Association National Conference. Anaheim, CA. November 2011.
80. Greene K, Drach L. How software can enhance value and expose values in qualitative inquiry: the value(s) of NVivo 9. Presented at: American Evaluation Association National Conference. Anaheim, CA. November 2011.
81. Greene K, Mabry L. Beyond logic models: Theoretical triangulation. Presented at: Oregon Program Evaluators Network Annual Conference. Portland, OR. October 2011.
82. Holbert T. Client Satisfaction Survey results. Presented at: Meeting of Healthy Birth Initiative Consortium. Portland, OR. July 2011.
83. Maher JE, Bushore CJ, Rohde K, Dent CW, Peterson E. Are more smokers using smokeless tobacco products? Evidence from Alaska. Presented at: 6th National Summit on Smokeless & Spit Tobacco. Austin, TX. May 2011.
84. Dowler D, Peterson E. Alaska-specific smokeless tobacco use: A review. Presented at: Meeting of Alaska Tobacco Control Alliance. Palmer, AK. April 2011.
85. Pickle KE, Peterson E, Dilley J, Rohde K, Bobo M. Meeting local data needs in Alaska: Culturally-specific patterns of smokeless tobacco use. Presented at: 2011 Behavioral Risk Factor Surveillance System Annual National Conference. Atlanta, GA. March 2011.
86. Boles M, Maher J, Moore J, Knapp A. Variability in the nutritional value of fast-food purchases before the implementation of a statewide menu labeling policy. Presented at: American Public Health Association. Denver, CO. November 2010.
87. Drach L, Greene K. Beyond the binary: expanding our categories of gender identity and sexual orientation. Presented at: American Evaluation Association Annual Conference. San Antonio, TX. November 2010.
88. Greene K. Techniques and tools for reporting and communicating evaluation findings using NVivo. Presented at: American Evaluation Association Annual Conference. San Antonio, TX. November 2010.
89. Drach L. Developing a community needs assessment by consensus. Presented at: American Evaluation Association Annual Conference. San Antonio, TX. November 2010.
90. Greene K. Coalitions built through data: How a survey engaged a community. Presented at: American Evaluation Association Annual Conference. San Antonio, TX. November 2010.
91. Drach L, Fox V. Linking existing services to promote smoking cessation options to PLWH/A. Poster presented at: Ryan White National Grantee Meeting. Washington, D.C. August 2010.
92. Boles M, Maher JE, Moore J, Knapp A. Variability in fast-food customer knowledge and

attitudes before the implementation of a statewide menu labeling policy in Multnomah County, Oregon. Presented at: Meeting of Society for Behavioral Medicine. April 2010.

93. Rohde K, Peterson E. Reducing disparities in tobacco use: Positive news among Alaska Native people. Presented at: 27th Annual Alaska Health Summit. Alaska Public Health Association. Anchorage, AK. December 2009.
94. Boles M, Maher JE, Moore J, Knapp A. Awareness, opinions, knowledge at fast food point of purchase in Multnomah County, Oregon. Presented at: American Public Health Association 137th Annual Meeting and Exposition. Philadelphia, PA. November 2009.
95. Drach L, Maher J, Holbert T, Van't Hof S, Fox V. Partnerships to promote smoking cessation among people living with HIV/AIDS. Poster presented at: 2009 National Conference on Tobacco or Health. Phoenix, AZ. June 2009.
96. Pickle K, Pizacani B, Peterson E, Utermohle C, Hiratsuka V. Alaskans and quitting smoking: A population based picture. Poster presented at: 2009 National Conference on Tobacco or Health. Phoenix, AZ. June 2009.
97. Boles M. Evaluation of the Alaska quitline: A comparison between Alaska Natives and other quitline callers. 26th Annual Alaska Health Summit. Alaska Public Health Association. Anchorage, AK. December 2008.
98. Mosbaek C, Rumpitz M, Porter J, Harrelson D, Maher J, Boysun M. Innovative approaches to reducing tobacco use and exposure to secondhand smoke among low socio-economic status (SES) populations. Presented at: NAATEN/NNTTP Joint National Conference on Tobacco-Control Strategies for Priority Populations. Detroit, MI. April 2008. Presented at: Oregon Public Health Association Annual Conference. Corvallis, OR. October 2008. Presented at: 15th Annual Joint Conference on Health. Yakima, WA. October 2008. Presented at: Health Equity for All: A Leadership Summit to Reduce the Burden of Tobacco Use among Low SES Populations. Vancouver, WA. November 2008.
99. Greene K. A dangerous combination: How policy and methodological challenges perpetuate health disparities in lesbian, gay, bisexual and transgendered populations. Presented at: American Evaluation Association Annual Conference. Denver, CO. November 2008.
100. Pizacani BA, Schubert S, Dowler D, Rohde K, Drach L, Stark MJ. Evaluation of a smoke-free multiunit housing policy. Presented at: American Public Health Association 136th Annual Meeting and Exposition. San Diego, CA. October 2008.
101. Drach L, Rumpitz M, Guernsey Camargo J, Pranian K, Maher J, Casciato C. "Dopers" talk about needle sharing: HIV/HCV prevention at syringe exchange and beyond. Presented at: American Public Health Association 136th Annual Meeting and Exposition. San Diego, CA. October 2008.
102. Rumpitz M, Casciato C, Drach L, Guernsey Camarago J, Maher J, Pranian K. Developing a peer education model designed to reduce HIV risk among methamphetamine injection drug users: Lessons from a feasibility study. Presented at: American Public Health Association 136th Annual Meeting and Exposition. San Diego, CA. October 2008.
103. Drach L, Rumpitz M, Guernsey Camargo J, Pranian K, Maher J, Casciato C, Stark M. Early learnings from a Peer Education Model designed to reduce HIV risk among methamphetamine-injecting drug users. Presented at: National HIV Prevention Leadership Summit. Detroit, MI. June 2008.
104. Drach L, Deibert R, Fox V, Martin D. Evaluating the effects of housing programs on health outcomes for PLWH/A. Presented at: HIV and Housing Research Summit III. Baltimore,

MD. March 2008.

105. Rumptz M, Casciato C, Drach L, Guernsey J, Maher J, Stark M. Development of a peer-education model designed to reduce HIV risk among methamphetamine users. Presented at: National HIV Prevention Conference. Atlanta, GA. December 2007.
106. Greene K, Golding C. Measuring sexuality and gender: Accurately capturing dimensions and categories of sexuality. Presented at: American Evaluation Association National Conference. Baltimore, MD. November 2007.
107. Boles M, Rohde K, Fenaughty A, Aquino LDH, Reynaga P. Evaluating the effectiveness of Alaska's Tobacco Quit Line for Alaska Natives. Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
108. Dowler D, Boysun M, Dilley J. Evaluation of anti-tobacco campaigns targeted at Washington youth. Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
109. Kurtz C, Dowler D, Boysun M, Mosbaek C, Hellenthal M. Evaluating earned and paid media campaigns. Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
110. Maher JE, Boysun M, Rohde K, Dent CW, Pizacani BA, Thompson J, Yepassis-Zembrou P. Does free nicotine replacement therapy prompt young adults to call Quit Line? Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
111. Pickle KE, Dilley J, Rohde K, Aquino LDH, Fenaughty A, Mosbaek C. Tobacco use among Alaska Natives: Implications for program planning. Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
112. Pizacani BA, Rohde K, Dent CW, Thompson J, Biglan A, Maher JE, Stark MJ. Increases in youth smoking after defunding of a state tobacco prevention program. Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
113. Pizacani BA, Rohde K, Bushore C, Stark MJ, Maher JE, Dilley JA, Boysun MJ. Tobacco-related indicators in the lesbian, gay and bisexual community: A population-based study from the U.S. Pacific Northwest. Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
114. Rumptz MH, Rohde K, Pickle KE, Aquino LDH, Fenaughty A, Pizacani BA. Among low socio-economic status Alaskans, who is most affected by tobacco? Presented at: 2007 National Conference on Tobacco or Health. Minneapolis, MN. October 2007.
115. Dilley JA, Dent CW. Exploring policies to address health disparities and the academic achievement gap. Presented at: Each Student Successful Summit. SeaTac, WA. May 2007.
116. Dowler D, Boysun M, Dilley J, Pizacani B. Results of Washington youth tobacco survey: January 2005-March 2007. Presented at: Meeting of Washington Department of Health and Wong Doody Firm. Seattle, WA. April 2007.
117. Pickle KE, Ngo D, Dilley J, Boysun M, Simmons KW, Dent C, Boyd R. Geo-targeted oversampling to improve reporting on health disparities by race/ethnicity. Presented at: 2007 Behavioral Risk Factor Surveillance System Annual National Conference. Atlanta, GA. March 2007.
118. Drach L, Anderson-Nathe B, Toevs K. Making a difference in "crystal world": Assessing HIV risk and promoting HIV risk reduction among methamphetamine- using MSM.

Presented at: National Conference on Methamphetamine, HIV, & Hepatitis 2007. Salt Lake City, UT. February 2007.

119. Boles M. Health and productivity management: overview of theory and review of the evidence. Presented at: 2007 Washington State Department of Health Healthy Worksite Task Force. Tumwater, WA. January 2007.
120. Cassaro D, Greene K, Korwin L, Burleson L. Dilemmas in evaluation of programs serving lesbian, gay, bisexual and transgender (LGBT) populations. Presented at: American Evaluation Association National Conference. Portland, OR. November 2006.
121. Felizzola J, Rajabiun S, Rumptz M, Cunningham W, Relf M. Reducing stigma can help HIV-infected Latino populations stay in care. Presented at: American Public Health Association 134th Annual Meeting and Exposition. Boston, MA. November 2006.
122. Rumptz M, Tobias C, Rajabiun S, Bradford J. Outreach and advocacy programs help re-engage and retain sporadic users of HIV medical care. Presented at: American Public Health Association 134th Annual Meeting and Exposition. Boston, MA. November 2006.
123. Drach L, Greene K, Fox V, Maher J, Pickle K, Wilson D. Understanding unmet need in Oregon: A multi-method study. Presented at: Ryan White CARE Act All-Titles Grantee Conference 2006. Washington, DC. August 2006.
124. Rumptz M, Frye A, Holbert T. Interventions to improve engagement and retention in care: How well do they work? Preliminary CareLink evaluation findings. Presented at: Meeting of HRSA HIV/AIDS Bureau Staff. Rockville, MD. August 2006.
125. Rumptz M, Frye A. HRSA/SPNS multi-site institute on engagement and retention in care (including presentation from Multnomah County). Presented at: Ryan White CARE Act 2006 Grantee Conference. Washington, DC. August 2006.
126. Rohde K, Stark MJ, Maher JE, Hecht SS, Pizacani BA, Dent CW, Bard R. Exemptions to clean indoor air laws and preemption: Impact on the prevalence of a tobacco-specific carcinogen among nonsmoking bar and restaurant workers. Presented at: Thirteenth World Conference on Tobacco or Health. Washington, DC. July 2006.
127. Dilley JA, Ossiander E, VanEenwyk J. Youth behavior surveillance: Contrasting required and standard surveys. Presented at: Council of State and Territorial Epidemiologists (CSTE) Annual Conference. Anaheim, CA. June 2006.
128. Dilley JA, Wynkoop Simmons K, Boysun MJ, Pickle KE, Maher JE. Including sexual orientation in public health surveillance. Presented at: Centers for Disease Control and Prevention Behavioral Risk Factor Surveillance System Annual Conference. Cathedral City, CA. March 2006.
129. Rumptz M, Frye A. Surmounting barriers to engaging and staying in medical care for HIV: Can community outreach workers help? Presented at: American Public Health Association 133rd Annual Meeting and Exposition. Philadelphia, PA. December 2005.
130. Boles M, Pelletier B. Relationship between obesity and work productivity. Presented at: American Public Health Association 133rd Annual Meeting and Exposition. Philadelphia, PA. December 2005.
131. Weir BW, Bard RS, Casciato C, O'Brien K, Stark MJ. Violence against women with HIV risk and recent criminal justice system involvement: Prevalence, correlates, and recommendations for intervention. Presented at: 14th International Conference of the Nursing Network on Violence Against Women International. Portland, OR. December 2005.

132. Weir BW, Bard RS, Casciato C, O'Brien K, Stark MJ. Women involved in the community justice system: Experiences of intimate partner and other violence. Presented at: American Public Health Association 133rd Annual Meeting & Exposition. Philadelphia, PA. December 2005.
133. Greene K. Things aren't always as they seem: linking sexual behavior, identity and orientation. Presented at: American Evaluation Association National Conference. Toronto, Ontario, Canada. November 2005.
134. Maher JE, Rohde K, Dent C, Boysun M, Dilley J, Stark M, Pizacani B. Who is calling the Washington Quit Line? Are they satisfied? Presented at: Washington Tobacco Prevention and Control 2005 Annual Conference. Seattle, WA. November 2005.
135. Dent CW, Boysun M, Dilley J, Pizacani B, Stark M, Maher J, Rohde K. Evaluating the satisfaction of the Washington Quit Line in specific populations. Presented at: 2005 National Conference on Tobacco or Health. Chicago, IL. May 2005.
136. Dilley JA, Maher J, Boysun M, Stark M, Rohde K, Mosbaek C, Pizacani B. Population-based study of smoking among lesbian, gay, and bisexual adults. Presented at: 2005 National Conference on Tobacco or Health. Chicago, IL. May 2005.
137. Pizacani BA, Dent C, Stark M, Maher J, Dilley J, Boysun M, Rohde K. Recall, reaction and response rates: Washington youth media telephone survey. Presented at: 2005 National Conference on Tobacco or Health. Chicago, IL. May 2005.
138. Rohde KL, Stark M, Hecht S, Pizacani B, Maher J, Dilley J, Boysun M. Impact of smoke free workplace exemptions and preemption on worker health. Presented at: 2005 National Conference on Tobacco or Health. Chicago, IL. May 2005.
