Oregon Health Authority (OHA) Public Health Division (PHD) conducted the triennial review of Lincoln County Public Health during December 1-22, 2023. This letter informs you that the review is closed.

The Local Public Health Authority (LPHA) Administrator, Florence Poutal, will receive reports for each program area reviewed, any compliance findings, and the corrective actions required to resolve the findings. OHA-PHD staff determined findings based on compliance with federal and state statutes or rules, the Intergovernmental Agreement for the Financing of Public Health Services (PH-IGA), and the Intergovernmental Agreement for Environmental Health Services (EH-IGA).

The review included appraisal of items in the program areas listed below. Please note WIC conducts a separate biennial review and we include the information here as a courtesy to the program. Program areas that had compliance findings are indicated with an asterisk.

Administrative	Health Officer
Babies First! & Perinatal	Immunizations*
Civil Rights	Maternal, Child, and Adolescent Health
Communicable Disease*	Public Health Emergency Preparedness
Drinking Water Services	Tuberculosis
Fiscal*	Vital Records
Food, Pool, & Lodging Health & Safety	Women, Infants, Children (WIC)*

Please note that compliance findings are not unusual, and overall, Lincoln County is doing excellent work in the above program areas. For compliance findings, there is an agreed upon timeline for correction. When the findings have been resolved we will send another letter summarizing the review for your records.

Thank you and your public health staff for your unwavering commitment to serving your community during these recent unprecedented years.

Sincerely,
