

**HEAR THE BEEP  
WHERE YOU SLEEP**

Every bedroom needs a working smoke alarm.  
**Get Out, Stay Out!** ✨

# Make Your Fire Escape Plan Today!

1. Draw a map of your home showing doors and windows.
2. Show two ways to get out of each room.
3. Make sure young children, older adults, and people with disabilities can get out.
4. Agree on a meeting place outside (a safe visible area where firefighters can locate you).
5. Never go back in for people, pets, or personal belongings.
6. Practice your plan at least twice every year during the day and night.
