Please note the following changes that were made to this renewal:

Enclosed are 4 copies of the new map with the appropriate changes for points of diversion.

Signature: _____

Date: _____

Title: _____

RENEWAL OF RW- _____
FOR WATER RESOURCES DEPARTMENT USE ONLY

The foregoing renewal application and accompanying data is hereby accepted for registration of water use as described in the application.

This registration continues to be effect from _____.

Use can continue until the public agency voluntarily withdraws the registration or fails to file the annual renewal statement.

This registration is subject to the following terms:

- A. Water use under the registration shall not have priority over any existing water right;
- B. The use is subordinate to all future permitted or certificated water rights;
- C. Use shall not exceed 50,000 gallons from a single source during any 24-hour period;
- D. No dam, reservoir or other impoundment facility may be constructed within a designated scenic waterway; and
- E. Under no circumstances may the registrant cause the water course to be dewatered to a degree that the live continuous flow is obstructed.

The Department may require the public agency to cease withdrawal or diversion of water at any time the director has reason to believe use of water under registration is causing a significant adverse impact upon:

- A. The affected watershed; or
- B. Any existing water right; and

The registrant shall notify the watermaster for the district in which the water is to be diverted not fewer than 30 days not more than 60 days prior to the date diversion under the registration is to be initiated. **If the proposed diversion is within or above a designated scenic waterway, the registrant shall not withdraw water under the registration until the watermaster provides written findings that the proposed withdrawal will not interfere with the free-flowing character of the scenic waterway in quantities necessary for recreation, fish and wildlife uses.**

Water Resources Director

Date

If use continues beyond one year, an annual renewal statement and fee in the amount of \$60 is required and must be submitted on or before February 1 of each calendar year. Please contact the department for the necessary renewal statement.
