The sign must be posted on the project site throughout the course of construction to permit public viewing. Sign requirements are described on the example below. DEQ allows the borrower to add their logo to the project sign, but not that of other funders.

Vinyl stickers of the DEQ logo and the EPA seal are supplied by your DEQ Project Officer.

Sign borders shall be equal on either side, with the longest line centered in the sign.

DEQ logo placed to the left of center, and the EPA Seal placed to the right of center in the space between “Clean Water Investment” and Project Name.

Provide adequate supports for sign as site conditions may require. Keep sign a proper distance above prevailing grade to allow for public viewing.
