OREGON DEPARTMENT OF ENERGY

Leading Oregon to a safe, equitable, clean, and sustainable energy future.

Our Mission

The Oregon Department of Energy helps Oregonians make informed decisions and maintain a resilient and affordable energy system. We advance solutions to shape an equitable clean energy transition, protect the environment and public health, and responsibly balance energy needs and impacts for current and future generations.

What We Do

On behalf of Oregonians across the state, the Oregon Department of Energy achieves its mission by providing:

- A Central Repository of Energy Data, Information, and Analysis
- A Venue for Problem-Solving Oregon's Energy Challenges
- Energy Education and Technical Assistance
- Regulation and Oversight
- Energy Programs and Activities

PROPOSED RULE UPDATES

Change Reserved Fund Language

- Align rules with changed language in statute.
- At least 25 percent of the funds must be reserved for rebates and grants for owners of dwellings occupied by low- or moderate-income households [whose income is less than 80 percent of the area median income].

Contractor Registration

- Expand compliance with requirements of the Occupational Safety and Health Division to include abated violations and paid fines.

Reservation Process

- Allow contractor to attest that the heat pump is appropriately sized to the space or structure, while reserving right to audit provided documentation.
