# LPN Clinical Teaching Associate Guidelines

(READ AND PROVIDE SIGNATURES)

As a Clinical Teaching Associate, the LPN may:

- 1) Assist with the clinical portion of the Nursing Assistant and Medication Aide Education. This includes:
  - A) Provide demonstration of Clinical Skills.
  - B) Check students off on return demonstration of Lab Skills prior to Client care.
  - C) Check students off on skills in a supervised Clinical setting while giving Client care.
- 2) Supervise quizzes and exams.

As a Clinical Teaching Associate, the LPN may not:

- 1) Conduct full class days (or evenings).
- 2) Provide the complete lecture in any given module or topic **UNLESS** he/she has submitted to the Board Evidence of special expertise in a particular area, and the Board has approved that LPN to teach that given topic.
- 3) Conduct and have responsibility for the Clinical portion of the Program.
- 4) Be used in any capacity in the education program without written approval from the Board.
